A BRIEF HISTORY OF THE COLLEGE

This Institution – Sri Akilandeswari Women’s College, then affiliated to Madras University was established in the year 1995 by Swamy Abedhanandha Educational Trust, Wandiwash which was established in accordance with the wishes of Pujoyashri Swamiji Abedhanandha Saraswathi. At present the college is affiliated to Thiruvalluvar University, Vellore .

The college is named after the presiding deity of Thellar Village where the Institution initially functioned.

The late Swamiji had a lofty vision of uplifting the rural women from poverty and ignorance which helped in the blossoming of this only Women’s College in Thiruvannamalai District. Our College provides value based education giving emphasis on morality and discipline. This helps in producing patriotic citizens of the future, fulfilling the present need of our country.

Initially, this Institution was started with three Job – oriented Under Graduate Courses viz., Biochemistry, Microbiology and Nutrition Food Service Management and Dietetics with only 35 Students, Principal, 5 Faculty members and one office assistant. At present our

Non Teaching staff and with 2500 students.

Our College is being awarded with 2(f) and 12(B) status as per the UGC Act and is permanently affiliated to Thiruvalluvar University, Vellore. We have been accredited with B+ by NAAC in 2006 and Re-accredited with **A** grade in 2016.

The college is now sprawling with elegant buildings, well equipped Library and well equipped Laboratories and with all required amenities for the students. Our Institution has steadily developed as a top most institutions of High caliber. Our aim and motive is to develop good morality and better standard in higher education. Every year a new valuable course is being added which shows our sustainable growth. At present 10 UG Courses 8 PG Courses , 3 M.Phil., Courses and 4 Ph.D. Courses are being conducted. We are the leading Women's Institution conducting so many courses in Thiruvalluvar University.

With the blessing of Goddess Sri Akilandeswari and Swamy Abedhanandha, our College will continue its journey to achieve the goal for which it has been started.

COLLEGE EMBLEM

Our college emblem symbolizes education on scientific lines, clear thinking, lofty ideals and faith in God which will lead women to greater success in life.

Inside the protective ring, which bears the name of the college “SRI AKILANDESWARI WOMEN’S COLLEGE” and the place where it is situated i.e., “WANDIWASH”, Thiruvannalmalai District. There are five symbols in the emblem. The Computer, Atomic Model, Microscope and wash bottle which denotes the science courses offered in the college. The earthen lamp points out Thiruvannalmalai Temple where Lord Siva manifests himself in the form of mountain, which itself is regarded as flame of fire, one of the pancha bhutas. In sense the “lamp” symbolizes; when women are educated they alight the environment, family, town, nation and the globe at large.

In the centre, we find the letters SAETW which denote the trust that runs the college namely, SWAMY ABEDHANANDHA EDUCATIONAL TRUST, WANDIWASH.

The words at the top “~~നവീകരണം, പുരോഗതി, വികസനം~~”

Nkk;ghL” emphasizes the fact that the success of humanity in general and that of India and Tamil Nadu in particular, depends on proliferation of women’s education and scientific advancement.

VISION

Swamy Abedhanandha Educational Trust has the clear vision of “Empowering Women” through Education, Ethics and Economic Development

MISSION

To empower by providing the right academic atmosphere, the best knowledge resources and the equal opportunity to develop knowledge related to employability skills besides inculcating the values embedded in culture and tradition.
