Our department has organised poster presentation under the curie club on 26.08.2019. Both UG and PG students were participated in this program. The program was started with prayer song and the presidential address given by Mrs. A. Shoba, Head & Assistant professor, Department of Chemistry. Next special address was given by Dr. D. Bharathi, Head, Department of Zoology. The chief guest talked about the causes of air pollution and how to prevent the pollutant by using the organic methods and then visited the posters and gave rank to the participant and the result was announced by the guest finally vote of thanks given by the students.

The motive of the program is

- \* To promote the knowledge about the air pollution.
- \* To inculcate the research knowledge of the student.

Totally 150 students were attended in this program.

**MENTOR MENTEE GROUP MEETING:**

Students entering Higher Education are coming into a new and unfamiliar environment, and many do not yet know what it means to be a college student. With increasingly large class sizes, it may not be possible for a lecturer to tailor material to a diverse audience, where each individual has their own prior experiences of learning and their own assumptions about what it means to be a student in Higher Education. The following information provided to student in the Mentor Mentee Group Meeting,

- provided information on respective roles of students
- clarified misconceptions about these roles or expectations
- Provided information on who staff are and where their offices are located
- helped to create an environment where students are encouraged to disclose their needs and seek appropriate support
- Advised given on different approaches to teaching and learning

## **NATIONAL CHEMISTRY WEEK -2019**

### **REPORT**

Department of chemistry has organised National Chemistry Week on 20<sup>th</sup> October to 26<sup>th</sup> October. On this National Chemistry week, we have conducted various activities to our students. All the students are actively participated in the events. The program was started from inauguration address given by Dr. D. Bharathi, Head, Department of Zoology, Sri Akilandeswari Women's College. She gave lecture on the importance of the day celebration. Next model presentation, PowerPoint presentation, seminar and drawing competitions were conducted. Final day school students visit has been conducted. At the time of school student visit various experiments were demonstration by our PG students. School students are very enthusiastic to learn the simple chemistry experiments. Our students also demonstrate the simple magic test in chemistry. It is giving very good experience both our students and school students. Finally, prizes were announced those who are actively participated in these activities.
