REPORT

Department of chemistry was organized World Environmental Day celebration on 05.06.2021 at 11.30 am through Google meet under the departmental Curie Club.

The program was started by prayer song and the welcome address was given by Mrs. A.Shoba, Head, Department of Chemistry. Next the special address was delivered by Dr. D. Bharathi, Head, Department of Zoology and Convener of Eco Club. She shared more points about how to save the environment without pollution. Finally Ms. Priyanka IIIUG Chemistry gave the vote of thanks. Totally 150 students were participated in this program.

The theme of World Environment Day 2021 is "Ecosystem Restoration". It can take in various forms like growing trees, greening cities, rewilding gardens, changing diets or cleaning up rivers and coasts. This year Pakistan will host the World Environment Day event.

REPORT

Department of chemistry was organized Scientist Paul J. Flory's Birthday celebration. To remember this day we conducted Elocution in the title of "Extraction and Purification of Penicillin" on 19.06.2021 at 2.00 pm through Google meet under the departmental Curie Club. In this program

The program was started by prayer song and the welcome address was given by B. Nishathbanu, IIIUG Chemistry, Next the special address was delivered by Mrs. A.Shoba, Head, Department of Chemistry She shared more points about the history and achievement of the scientists. The students were presenting the screen and gave the seminar about the extraction and purification of Penicillin. Most of the students were participated in this program. Finally, Ms. Priyanka IIIUG Chemistry gave the vote of thanks. Totally 120 students were participated in this program.

Paul J. Flory

Born 19 Jun 1910; died 9 Sep 1985 at age 75. **Quotes** quotes

American physical chemist, recipient of the Nobel Prize for Chemistry in 1974 for his investigations of synthetic and natural macromolecules. He researched commercially successful polymers, the processes by which polymers form, and their properties in bulk and in solution. Flory showed how an understanding the sizes and shapes of these flexible molecules is important to establish relationships between their chemical structures and their physical properties.

REPORT

Department of chemistry was organized poster presentation event in the title of **“NUCLEAR HAZARD”** on 10.07.2021 at 10.30 am through Google meet under the departmental Curie Club.

The program was started by prayer song and the welcome address was given by Mrs. A.Shoba, Head, Department of Chemistry followed by special address given by Dr. S. Rajesh, Assistant Professor, Department of Chemistry. He shared more points related to the nuclear hazards. Most of the students were participated in this program. Finally, Ms. Santhiya. K, IIPG Chemistry gave the vote of thanks. Totally 120 students were participated in this program.

The focal theme of the program is to

- **To know about the causes of nuclear hazards.**
- **To find the hazards managements and systems.**
- **To know, how to human beings have protected by the nuclear hazards.**
- **To educate the students to participate this kind of events regularly. To motivate the students to prepare the animation ppts.**

REPORT

Department of chemistry was organized One Minute speech event in the title of **“STRUCTURE OF BENZENE”** on 24.07.2021 at 2.00 pm through Google meet under the departmental Curie Club. In this program is focused about the benzene ring structure and the history of the formation of the structure.

The program was started by prayer song and the welcome address was given by Ms. Nathiya. I, II UG Chemistry, followed by special address given by Dr. J. VADIVELU, Assistant Professor, Department of BioChemistry. He shared more points to how to improve the speaking skill in the activity forum and explain the structure of benzene. Most of the students were participated in this program. Finally, Ms. Swetha lakshmi. V, IIUG Chemistry gave the vote of thanks. Totally 120 students were participated in this program.

The focal theme of the program is to

- **To motivate the students to participate this kind of programs.**
- **To know about the structure of some chemical compounds and how to derive the structures in formal manner.**
- **To find the easiest way of structure writing.**

REPORT

Department of chemistry was organized “Student Start – up and Innovation Policy” program on 14.08.2021 at 2.00 pm through Google meet under the departmental Curie Club.

In this program is focused about the Student Startup & Innovation Policy of Government of Gujarat aims to create an **integrated, state-wide, university-based innovation ecosystem** to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit.

The program was started by prayer song and the welcome address was given by Mr. D. PRAKASH, Assistant Professor, Department of Chemistry, followed by special address given by **Dr. M.K. VADIVAZHAGI**, Innovation Ambassador, Assistant Professor, Department of BioChemistry. He shared more points to how to improve the speaking skill in the activity forum and explain the structure of benzene. Most of the students were participated in this program.

The focal theme of the program is to

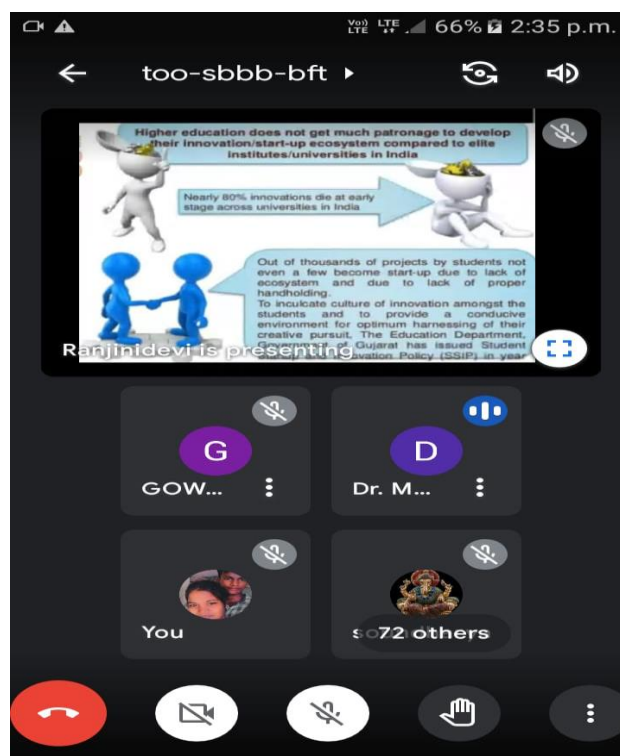

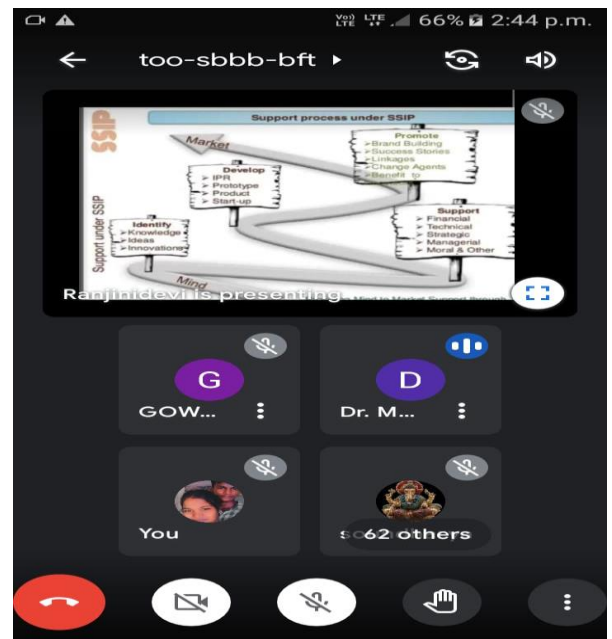

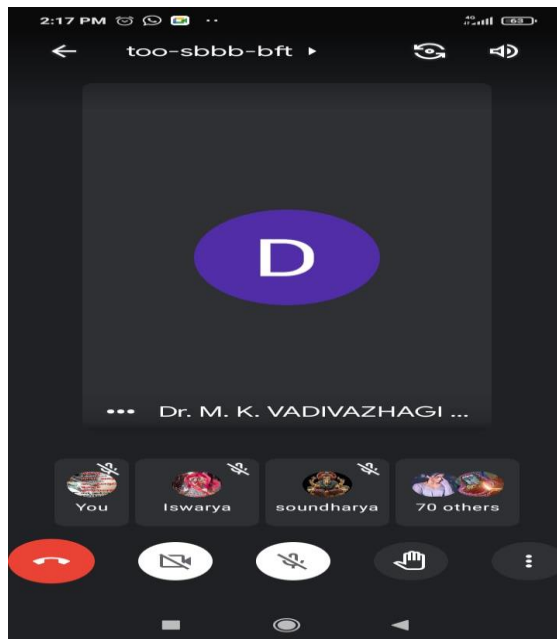

- Pedagogy and Learning Interventions for Entrepreneurship Development.
- Collaboration, Co-creation, Business Relationships and Knowledge Exchange.
- Entrepreneurial Impact Assessment

Finally, Ms. Swetha lakshmi. V, IIUG Chemistry gave the vote of thanks. Totally 120 students were participated in this program.

REPORT

On behalf of the department of chemistry and curie club we celebrated "CLUB
ACTIVITY" on **06-08-2021**.

The day started with welcome address presented by **Dr.R.Agilandeswari**, Assistant professor of chemistry student followed by presidential address by **Dr. S. RUKMANI**, Principal and special address presented by **Dr.J.Vedivelu**, Assistant professor of Biochemistry, Our third year UG students were participated in that club activity.

The theme of the function is,

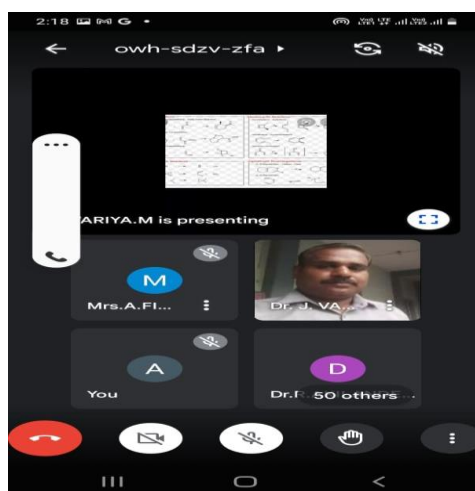

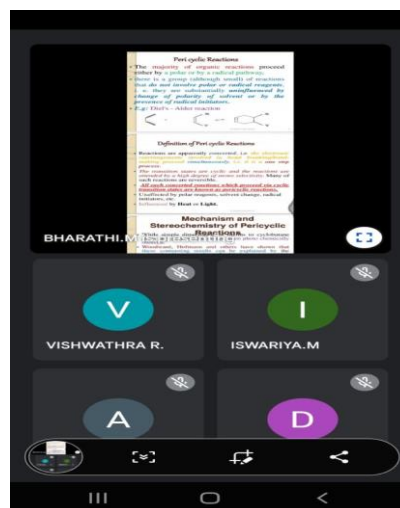

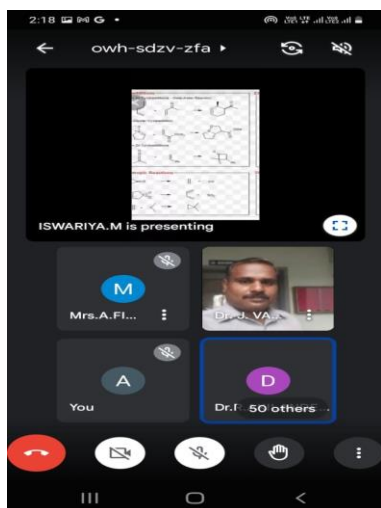

- The young chemists were encouraged to participate the departmental club activity.
- TO DEVELOPS TEACHING SKILL of the students.
- Totally 5 students were participated and 3 of them were selected.
- Our Head of Department honoured to the winners.

The celebration ended with vote of thanks given by the student Ms.M. ishwariya second-M.Sc Chemistry. All the third year B.Sc and Second year M.Sc students of chemistry around 55 beneficiaries were participated in the event.

REPORT

Department of Chemistry was organized **“PLATINUM JUBILE CELEBRATION OF INDEPENDENCE DAY”** on 14.08.2021 at 10.30 am through Google meet. On this occasion we conducted **“WEBINAR ON FUNDAMENTALS AND CAREER OPPORTUNITIES FOR CHEMISTRY STUDENTS”** under the departmental Curie Club.

The program was started by prayer song and the welcome address was given by Mrs. A.Shoba, Head, Department of Chemistry. Next the Presidential address was given by our beloved Principal Dr. S. Rukmani and followed to the presidential address the felicitation addressed by our honorable Chairman and Secretary sir.

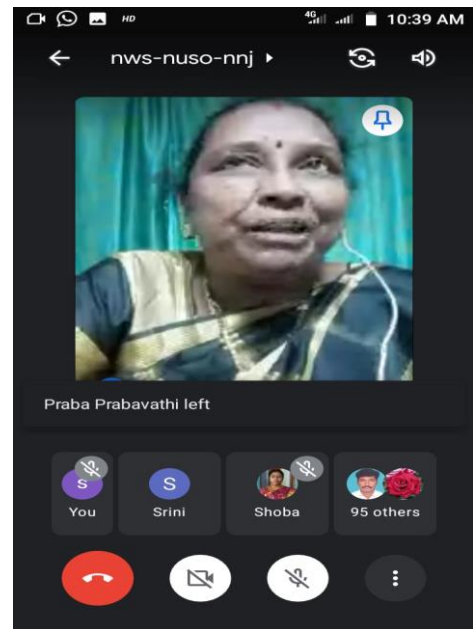

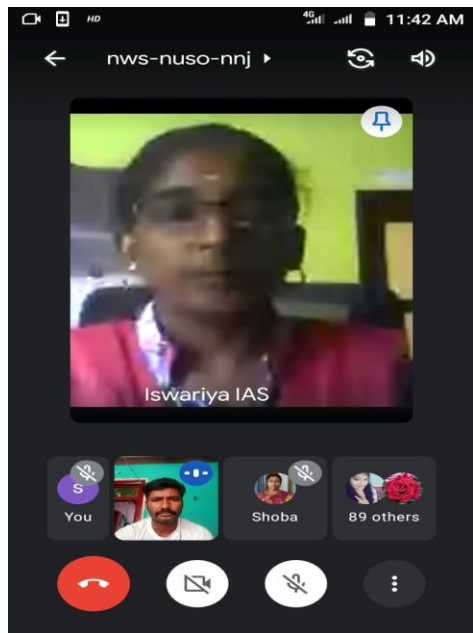

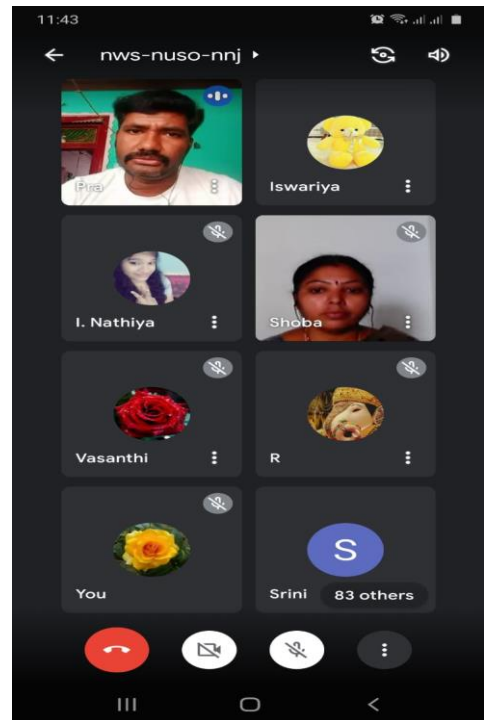

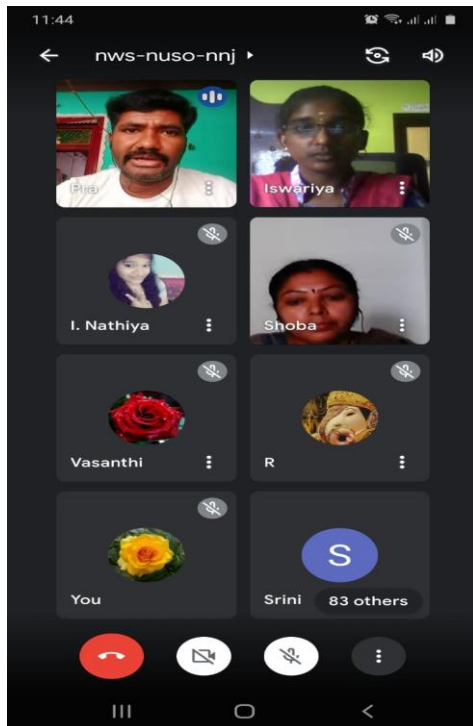

The special address was delivered by **Mr.G.M. SRINIVASAN, Ilinsky State Russia, Founder – Sriluck Paints, Harur – Dharmapuri – Dt.** He discussed about the career opportunities for chemistry students in various field like industries, pharmaceutical and research and development. He explained briefly what are the scopes were available in the industries like glass, cement, paper, textile, leather, dye etc. We also talked huge applications of chemistry in industries like paints, pigments, petroleum, sugar, plastics, Pharmaceuticals.

Students were cleared around their career platform. All the students were very interested to attend the webinar. Students were interacting with the resource person. Its very useful and informative program. Totally 150 students were participated in this webinar. Finally, the program was closed by the vote of thanks delivered by Mr. D. Prakash, Assistant Professor, Department of Chemistry.

REPORT

Department of chemistry, Department of Computer Science and Institution's Innovation Council celebrates **“WORLD ENTREPRENEUR'S DAY-2021”** program on 23.08.2021 at 2.00 pm through virtual inter departmental meet on online mode. In this occasion the poster presentation event was conducted. The theme of the presentation was Role of women Entrepreneurship.

In this program is focused about the role of women in entrepreneurship in various fields.

The program was started by prayer song and the welcome address was given by Dr. N. TAMILARASI, Head, Department of Computer Science and Convenor of Institution's Innovation Council followed by Presidential address given by Principal **Dr. S. RUKMANI**, next the students were participated in the poster presentation. All the students were actively participated in various departments.

The focal theme of the program is to

- **Better Management of Finance**
- **Access and Vigilance**
- **Challenges and opportunities**
- **Self-employment**

REPORT

On behalf of the department of chemistry and curie club we celebrated “CLUB ACTIVITY” on 11-09-2021.

The day started with welcome address presented by Mrs. A.Firose Assistant professor of chemistry student followed by presidential address by Dr. S. RUKMANI, Principal and special address presented by Mrs.K.DURGADEVI Assistant professor of Computer application. Our third year UG students were participated in that club activity.

The theme of the function is,

- The young chemists were encouraged to participate the departmental club activity.
- TO DEVELOPS CREATIVITY SKILL of the students.
- Totally 10 students were participated and 3 of them were selected.
- Our Head of Department honoured to the winners.

The celebration ended with vote of thanks given by the student Ms. N. Abuasiya, third-B.Sc Chemistry.

All the third year B.Sc students of chemistry around 48 beneficiaries were participated in the event.

REPORT

Department of Chemistry and Institution Innovation Council jointly organized the program entitled on “My story – Motivational Session by successful entrepreneur” on 18.11.2021 through online Google meet platform.

The resource person is Ms. Shakila Farook, Managing Director – Shabana Art Pottaries. Company was established in the year **1995**, we, **Shabana Art Potteries**, are engaged in **Manufacturing** a wide assortment of **Ceramic Flower Vase** and **Handicraft Items**. Totally 150 staff are working in this company. Owing to their preciseness and beautiful look these products are immensely acclaimed in the market. Her professionals work in close co-ordination with clients to meet their exact demands in the most efficient manner. They offered products are available at an affordable price range. We work with a customer’s approach and focus on satisfying our clients by providing them effective solutions.

Their superior quality products are designed with the captivating look. Under the excellent leadership of “**Ms. Shakila Farooq (Proprietor)**”, the mentor of this organization, we have gained a good position in the market. Her sharp business acumen, extensive market understanding and foresightedness have enabled us to become a leading market player.

The program was started by the prayer song followed by the welcome address given by Ms. A. Shoba, Head & Assistant Professor, Department of Chemistry and the presidential address given by Principal Madam Dr. S. Rukmani. Totally 250 students were benefitted in this motivational session.

Google meet link: <https://meet.google.com/oqk-eihb-egx>

The theme of the program is

- To motivate the students to become a successful entrepreneur in the market.
- To give the some important tips on how to stand on the competitive market field.
- To improve the basic knowledge of role in increasing entrepreneurial intention towards women entrepreneur in Indian micro, small and medium enterprises.

Out students were actively participated and interact with our resource person. They got more ideas about the budding entrepreneur tips. All are gave a very good interaction as well as feedback. Finally the program was ended with vote of thanks given by Ms. A. Firose, IIC Department coordinator, Department of Chemistry.

REPORT

On behalf of the department of chemistry and curie club we celebrated “**CLUB ACTIVITY**” on **03-01-2022**.

The day started with welcome address presented by **Dr. R. Agilandeshwari**, Assistant professor of chemistry student followed by presidential address by **Dr. S. RUKMANI**, Principal and special address presented by **Dr. J. Vedivelu**, Assistant professor of Biochemistry, Our second PG and third year UG students were participated in that club activity.

The theme of the function is,

- The young chemists were encouraged to participated the departmental club activity.
- Determine what are the objectives and aim.
- The participants acquired the skills of using a Spectrophotometer and understood its principles and its working.
- The experiment was conducted by all the students with the help of different samples and the data was recorded by the experimentalists. The celebration ended with vote of thanks given by the student Ms. M. Bharathi, second M.Sc Chemistry. All the third year B.Sc and Second year M.Sc students of chemistry around 65 beneficiaries were participated in the event.

REPORT

SPECIAL MEET WITH MERITORIAL ALUMINI

The “**Curie Club**” Department of chemistry and “OLD STUDENT ASSOCIATION” conducted a “Special Meet with Meritorial Alumni” program for III-UG and IIPG students on 08.04.22.

The function was started with lighting of Traditional lamp by our chief guests **MS.V. SANTHIYA** Assistant professor of chemistry Sri Akilandeswari women's college, Wandiwash.

The welcome address was delivered by Mrs.A firose Assistant professor of chemistry.

The special address was given by **MS.V.SANTHIYA** Assistant professor of chemistry, Sri Akilandeswari women's college, Wandiwash.

She gave a motivational speech to students for the research and teaching field. She discuss about the research works in abroad and also explain how to make eco-friendly chemical free environment .

It is more useful to our young chemistist all the student were actively participated in the alumini meet. Students gain more knowledge in the response of the alumini to our college.

The vote of thanks was given by MS. K.RANJITHA Assistant professor of chemistry.

Nearly 158 beneficiaries were participated in that program. Finally the special meet was ended with national anthem.

REPORT

Department of chemistry and Physics jointly organized one day **“HANDS ON TRAINING ON QUANTUM CHEMISTRY SIMULATION AN INTRODUCTION USING ORCA”** on 25.05.2022 at 2.00pm. The program was started with prayer song followed by welcome address given by Ms. A.Shoba, Head, Department of chemistry and then the presidential address given by Dr. S. Rukmani principal. Next focal theme of the training program was delivered by Mr. D. Prakash, Assistant Professor, Department of Chemistry and then Chief guest honoured by our principal. The chief guest taken overed the session. Finally, the program was ended with vote of thank delivered by Dr. R. Agilandeshwari, Assistant Professor, Department of Chemistry. Totally 150 students were attended the training program both PG chemistry and Physics students.

Outcome of the training program is

- To inculcate the knowledge related to ORCA software for molecular structure arrangements.

SRI AKILANDESWARI WOMEN'S COLLEGE, WANDIWASH.

(Re-Accredited with 'A' Grade By NAAC) (Recognised under section 2(f) and 12(B) of UGC Act.)
(Permanent Affiliation Granted by Thiruvalluvar University)

- To improve the handling techniques about IQMOL. This is one of the best free software to create the molecular structure at 3D views.
- To create the interest about computational chemistry belonging to the quantum mechanics.

This hands-on training is more useful to our PG students for their future career and research activities related to chemistry. Computational techniques are the recent advanced methods for our students to extrapolate their knowledge.
