## REPORT

Department of chemistry has organised National Chemistry Week on 17<sup>th</sup> October to 23<sup>th</sup> October. On this National Chemistry week, we have conducted various activities to our students. All the students are actively participated in the events. The program was started from inauguration address given by **Mr. S. SELVA KUMAR, Head, Department of Physics, Sri Akilandeswari Women's College.** He gave lecture on the importance of the day celebration. After that many of our students were done chemical experiments in presence of chief guest, other staff members and our department students (150 candidates). Everyone appreciated each and every live chemical experiment which are all using in our life. Finally, prizes were announced those who are actively participated in these activities.

## REPORT

The department of chemistry and IIC jointly organized India Start-up Day Celebration **“HOW TO PLAN FOR START UP FOR NATURAL FARMING”** on 19.11.2022. On this occasion totally 250 students were participated and benefited in this program.

The program was started with welcome address by Ms. A. Shoba, Head, Department of Chemistry followed by the presidential address given by our Principal Dr. S. Rukmani. The chief guest Ms. V.V. Vasudevan, Founder and Chairman, Aaramudhu Uzhavar Urpathiyalar Niruvanam, Vazhur.

He demonstrated the preparation of the Natural Egg Tonic for natural organic farming method and also explain the natural farming process, land cultivation, seed processing and maintain the field through the natural methods. He also motivate the students become a women entrepreneur. He gave some suggestion to start up the innovative plans related to the agriculture because most of the students in our college from agricultural background.

So that students are easily captured the concept and techniques in the natural process. Students are actively interacted and after the completion of the program our department III year B.SC. Chemistry students were done the natural egg syrup preparation in our college in the same process as he said.

It is more useful and benefit to our students. Finally, the vote of thanks given by Ms. A. Firose, Assistant Professor, Department of Chemistry.

## REPORT

A MoU was signed between the Galileo Vasan Research Institute located in Nagapattinam, Tamil Nadu and the Department of Chemistry of our college. In this program, Head of Department of Chemistry A. Shoba welcomed everyone, chairman & Founder Lion Munirathnam presided. Secretary Mr. Ramanan congratulated them and Principal introduced the special guest and explained his talents.

Then Mr. Srinivasan gave a two-day professional training to the students. According to this MoU, Mr. Srinivasan explained to the students about the chemistry related to petroleum. He also explained how to provide continuous training, plan preparation, and how to increase employment opportunities in private companies. It is taken to attach its partial products. He also talked about how gasoline is extracted from the bottom of the earth and its components. On the second day of training, how paint is made and how to test its quality was explained step by step. Finally, there was a discussion with the students. In this programme more than 125 were participated. In the end of the program, the students were given certificates. Earlier the program was hosted by E. Karishma, a 3<sup>RD</sup> year student of Chemistry and I. Gayatri, a Master's student. Finally, Dr.S. Rajesh thanked everyone.

School student visit was organized by Department of chemistry and physics on 25.2.2023 at our college chemistry & physics lab in proper manner.

The programme started with the welcome address by Mr. S. Selvakumar, Head, Department of Physics and followed by presidential address given by Principal Dr. S. Rukmani and the ug and pg students were demonstrated the various experiments regarding the higher secondary school syllabus in practical. 75 students were divided into 3 batches and attended the practical session. School students were actively participated and practice the lab experiments also. Finally, they gave more positive feedback about the lab session. In this program the Government higher Secondary school, Nedungunam, Thiruvannamalai district school students were participated. Finally the program was come to an end with vote of thanks by Ms. A. Shoba, Head, Department of Chemistry. Totally 75 students were participated and benefited in this programme. This program created the awareness of science inventions and how to handle the lab glassware and apparatus, basic lab safety manners among our students.

## REPORT

Ever since 1987, our country has been celebrating the National Science Day on 28th February to commemorate the discovery of the 'Raman Effect' by one of the renowned Physicist of India- Sir CV Raman. This year, the theme was **'Global Science for Global wellbeing'**. As a part of its enterprise to conduct a wide range of extra-curricular programmes and activities to sensitize the students on social, cultural and ethical issues, the Department of Science National Science Day and Air Show was organized by Department of Science in association with Ariviyal Sangam, Tamil Nadu on 28.2.2023 at our college premises in grand manner.

The programme started with the welcome address by Mr. S. Selvakumar, Head, Department of Physics and followed by presidential address given by Principal Dr. S. Rukmani and the chief guest Mr. Gopal Parthasarathy, Secretary, Ariviyal Samgam delivery the speech about the national science day and important to conduct the program. Next chief guest Dr. N. Sureshkkumar, Founder and chairman, 360 groups of companies delivered the speech in the title of "Unleashing the wonder of water Exploring its science and Significance". He gave the practical explanation to identify the water TDS level from in and around various village samples and also explain the natural purification methods using Thethankottai lively. Students are actively participated in this program and also he demonstrates the air show. It is very useful and informative to our young generation students to improve their knowledge regarding the aircraft field. Students actively interacted with them. Finally the program was come to an end with vote of thanks by Ms. A. Shoba, Head, Department of Chemistry. Totally 850 students were participated and benefited in this programme. This program created the awareness of science inventions and how to prevent the natural resources through the natural processes among our students.

## REPORT

Activities of department of atomic energy and career opportunities was organized by Department of Bio-chemistry, Chemistry, Microbiology and Physics in association with Indira Gandhi Centre for Atomic Research, Kalpakkam on 03.03.2023 at Arts block auditorium.

In this program started with lighting the lamp with all the dignitaries followed by the welcome address given by Dr. K. Padmalochana, Head, Department of Biochemistry welcomed the gathering. Next Dr. K. Jagathy, Head, Department of Microbiology delivered the focal theme of the today's career opportunities involved in the atomic energy research oriented. Dr. S. Rukmani, Principal delivered the presidential address. Mr. S. Selvakumar, Head, Department of Physics introduced the chief guest and briefed the atomic energy department related to the science like biochemistry, chemistry, microbiology and physics. Mr. S. Sridhar, Scientific Officer- E, Planning section, Indira Gandhi Centre for Atomic Research, Kalpakkam. He explains the procedure, important dates and career tips to the students. He also motivated the students for appearing for the exams conducted by IGCAR. Nearly 250 students participated and benefited the event. The program comes to an end with vote of thanks by Mrs. A. Shoba, Head, Department of Chemistry.

The outcomes of the program is

- To motivate the students to attend the exams related to the central govt jobs and training programs.
- To identify the jobs in and around places through the websites and online sources.

To encourage the students to involve the internship on the central institutions.
