Department of Computer Science
David Huffman Birthday Celebration
organised by
Grace Hopper club.

Date : 24.08.22.

Department of Computer Science
organised a departmental event on "David
Huffman Birthday" on 24.08.22 in Room No: 24

The day started with a
welcome address given by Mr. C. Balasubramanian
Assistant professor, Department of Computer Science
and the presidential Address was given by
Dr. S. Rukmani, Principal, Sri Akilandeswari
Women's College, Wandiwash.

Next the power point presentation
is given by our II Pg student Ms. J. Vidhya
and the poster presentation was done by
II Pg student D. Monisha.

Famous David Huffman Coding
quotes was.

It just adds more time, not
really more info,
But more time".

Department of Computer Science
Workshop on Arduino
organised by
Grace Hopper Club.

Date: 06.09.22

The department activity of the month of September was conducted by Mr. C. Balasubramanian on 06.09.22. The arduino uno circuit board and its components were explained to the students of final year UG students of Computer Science department. The pin diagram, application of analog pin and digital pin were explained with the Arduino UNO Board.

They were described how to connect the sensors with the board, how to program for the sensors and how to track the errors if any during execution.

Also the website for doing these projects using simulation was given. They were instructed how to do the simulation.

Department of Computer Science
Workshop on Computer Hardware
organized by
Grace Hopper Club

Date : 20.09.2022

The Monthly departmental event for September 2022 has been conducted on 20.09.2022 and the event was "Workshop on Computer Hardware". Using a original mother board and Ideal Components such as CPU, RAM, Hard disk, HDD SATA Cable, SMPS and other Cables the working functionality of the above Components were explained. All the various ports available in the board as well as explained and the purpose of each and every port is explained.

Various queries are asked by the students and the proper answers are given for the queries. After this session, the students know well, the Parts of the Computers,

Department of Computers Science &
Kosoft IT Solutions Pvt Ltd
National Level workshop on
Internet of things
organised by
Grace Hopper Club

Date: 28.09.2022

The department of Computer Science and Kosoft IT Solutions jointly organised a national level "workshop on Internet of things". It was conducted by Mrs. A. Annala Leon Rose, Software Engineer, Kosoft IT Solutions Pvt. Ltd, Pondicherry on 28.09.2022 at the College auditorium.

The workshop was started by 10.00 am with power point presentation. A. Annala Leon Rose explained various components, arduino boards, types of arduino boards, sensors and pin configuration. are explained. About 3 mini projects were shown live for the students as simulation. The parts of the board such as digital pins, analog pins, reset button, power connectivity were demonstrated for the students.

The advanced version of
board such as Raspberry Pi was
also shown and the advancements
over the modules were explained.

The practical session started
at 2.00 pm. using the jumpers wires.
Various sensors are connected and
the projects are demonstrated as a
real time product.

Various simulation links such
as <https://www.instructables.com/>,
<https://www.circuitbasics.com/> were
explained and virtual projects were
created.

All the UG and PG students
(300 students) were the beneficiaries
for the program.
